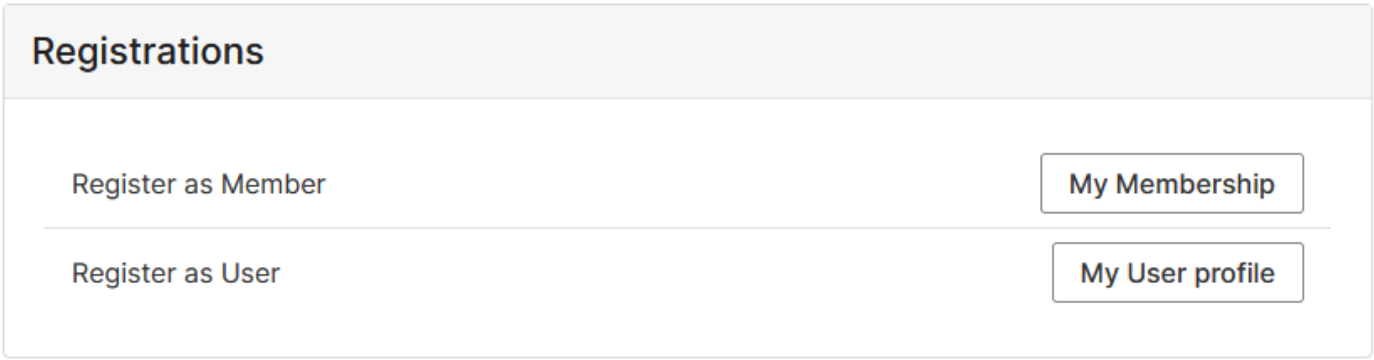
Joining the cooperative

Before you join the cooperative, you should have read the information about the cooperative and the articles of association. We will provide them for you here: Information about the cooperative.

If you are a registered user and are already on your second order, you may receive a request from our team to join the cooperative. This is easy to find in the portal, as soon as you have verified your email address and logged in, this will be one of the first options you see.



Type of member

It is possible to join as an individual (private person, sole trader) or as an organisation (legal entity).

Institution

This field only needs to be filled in if you are joining as an organisation.

Profession/legal form

For individuals, enter the profession, for organisations the legal form (e.g. association, GmbH, cooperative...).

Surname and first name

For organisations, enter the name of the authorised contact person here. For individuals, simply enter the name of the person. If the person is already registered as a user, the name will already be pre-filled.

Your address

Both the private address and the company headquarters can be entered here. Any postal items will be addressed to this address. The address should be pre-filled if the person is already registered as a user.

Identity card

It is necessary to upload an ID card here if the person is not yet registered as a user. Otherwise, this is already stored in the system.

Number of shares

1 share corresponds to € 50, - the number of shares can be selected here. The minimum required is 1 share.

Private assets/business assets

In the case of organisations, the shares will always be held as business assets. In the case of individuals, this can be freely chosen.

After submitting the form, the declaration of accession must be downloaded, signed and uploaded again.

However, it is possible to close the form and upload the file at a later date. Smart only receives the membership with the signed form.

> The accession will only be processed by the Smart Team once the shares have been credited to the following account: **IBAN AT74 1400 0100 1020 6966**, BIC BAWAATWW in the name of **SMartAt e. Gen**.
